PUBLIC NOTICE

It is to inform all applicants seeking equivalence and attestation of documents that multiple applications submitted by one applicant will not be accepted. This notice is to ensure a streamlined and efficient process for all applicants.

Henceforth, applicants are advised to submit their application using one of the following modes. Please select the most suitable method for submission:

Physical Submission: Applicants can visit the IBCC office in person and submit their application along with all the required documents at the designated counters.

Courier Services: Applicants can send their application and required documents through TCS to the following address: IBCC, Plot No. 25, Street 38, Sector G 10/4, Islamabad.

Online Submission: Applicants can submit their application online through our official website (www.ibcc.edu.pk). The website will have a dedicated portal for application submission.

It is essential to ensure that all necessary documents are attached to the application to avoid any delays in the processing of equivalence and attestation requests. We encourage applicants to carefully review the guidelines and requirements provided on our official website before submission.

We kindly request all applicants to adhere to this policy strictly. Any duplicate or multiple applications submitted by one applicant will not be processed, and it may lead to delays in the assessment of their documents. Furthermore, in accordance with the rules, stringent measures will be implemented against any applicant found in violation.

If you have any questions or require further assistance, please feel free to contact our customer support team at (0092-51-11114222) or Email: IT@ibcc.edu.pk.

Thank you for your understanding and cooperation in this matter. We are committed to providing efficient and reliable services to all applicants.
