2. Important Instructions:

- Name and Date of Birth of applicant must be same on all Certificates and CNIC/Passport.
- Date of entrance and discharge of the candidate from institution must be mentioned on transcript.
- Graduation Requirements (details of total earned credits by the student and total required credits for graduation High school diploma).
- Half of the required credits for High School Graduation must be completed upto Grade 10 for SSC equivalence.
- Explanation of abbreviation of the subjects and codes which are used in the student's transcript.
- In case of USA, three Science subjects i.e Physics, Chemistry & Biology with complete one year credits as separate subjects for Pre- Medical Group and Physics, Chemistry and Mathematics with complete one year credits as separate subjects for Pre-Engineering Group must be passed at High School level (Grades 9 thru 12) for issuance of Equivalence Certificate.
- In case of Canada the subjects of Science, English and Mathematics at both Grades 9 and 10 must be passed for SSC (Science Group) equivalence and the subject of English in addition to three separate science subjects i.e. Physics, Chemistry and Biology/Mathematics must be passed at both Grades 11 and 12 for issuance of Equivalence Certificate of Pre-Medical/Pre-Engineering Group respectively.
- SSC (Science Group) is pre requisite/compulsory for obtaining equivalence certificate of Pre-Medical/Pre-Engineering/Computer Science.
- The student must have SSC/equivalent qualification before applying for HSSC Equivalence.
- Applicant having GED Diploma will have to provide original SSC duly verified by concerned BISE in Pakistan or Equivalent Qualification of SSC and original GED High School Diploma and its original Grade report (marks Sheet) issued by Department of education, USA. There must be a gap of TWO YEARS in SSC/Equivalent and GED.
- The students of recognized US Accredited institutions (American Embassy School-AES/ Local American Private School - LPS) operating in Pakistan will have to fulfill IBCC Equivalence criteria approved for recognized US Accredited institutions (AES/LPS) operating in Pakistan for grant of Equivalence Certificate.
- As per resolution of Equivalence Committee of IBCC, Diplomas/Certificate will be considered for equivalence of US Institution accredited by any recognized Accrediting Association of USA or any State Department of Education, USA, (127ECM- 17) and education qualification obtained through non accredited Institutions will not be considered for Equivalence of Qualification.
- As per Policy of IBCC, educational documents of the applicant will be referred to concerned authority for verification/clarification of the documents furnished to IBCC. Proper Equivalence Certificate will be processed after receipt of verification form concerned authority / Institution. Prepaid returned envelope of courier service (e.g. FedEx, DHL, TCS etc.) should be attached for sending back the original documents to the applicant. The student must submit his consent to the relevant institution for sharing his information with IBCC.
- Documents/certificates/diplomas found fake will be referred to the concerned authorities for strict disciplinary proceedings. All educational documents will be confiscated and student will be penalized as per procedure/Rules.
- For information about qualifications not covered above please contact through email or using helpline.

RULES FOR TRANSFERRED COURSES: According to rules of IBCC student will have to fulfill/complete the duration of the course/credits according to the concerned country's system of education e.g minimum one year duration and credit for one science subject in US curriculum/Scheme (SOS) and four years duration and credits for each science subject in Pakistani, Canadian, and British Education System etc. are required. Particularly Pakistani SSC (Science) courses transferred into US system of education will not be considered for conversion of marks & Equivalence of HSSC (relevant group). (115ECM27).

NUMBER OF REQUIRED SUBJECTS FOR US QUALIFICATIONS: Marks will be calculated on the basis of 5 academic required subjects (five from Grades 9 and 10) for equivalence of SSC and 5 academic required subjects (five from Grades 11 and 12) for Equivalence of HSSC.

NUMBER OF REQUIRED SUBJECTS FOR CANADIAN QUALIFICATIONS: Marks will be calculated on the basis of 10 academic required subjects (five from Grade-9 and five from Grade-10) for equivalence of SSC and 10 academic required subjects (five from Grade-11 and five from Grade-12) for equivalence of HSSC.

ONLINE QUALIFICATIONS/CREDITS: Online qualifications/Credits obtained overseas in year 2020 and onwards from institutions recognized by respective authorities of that country after appearing in examination from recognized/approved examination centers will be accepted for SSC (Arts) and HSSC (Humanities) groups only.
